## Student Poster Session

**Come present a poster on your work at a great reception. Get comments. Seek advice and meet experts  
in your field. Make the best of the conference by introducing yourself and your work!**

On behalf of the Prognostics and Health Management (PHM) Society, we are soliciting posters for a special student poster session at the **4<sup>th</sup> European Conference of the PHM Society, July 3–6, 2018, in Utrecht, the Netherlands**. Posters are intended for student authors and participants to engage in discussion about their work and provide an opportunity to presents late-breaking results, ongoing research, or works in progress. Poster session will be open to PHM attendees thereby getting a much wider audience for students' research work. Additionally authors will have the opportunity to publish a technical brief based on the content of the poster as part of the Proceedings of PHME'18. Topics of interest for submissions include, but are not restricted to, the following:

- Prognostics system design and engineering
- Prognostics sensors and detection
- Physics of failure prognostics
- Asset health management
- Structural health management
- Prognostics for electronics
- Diagnosis and fault isolation methods
- Data-driven and model-based prognostics
- Condition-based maintenance technologies
- Standards and methodologies
- Fault-adaptive control methods
- Return-on-investment analysis
- Deployed applications and success stories

### Submission Instructions

The submission opens on January, 2018 through the PHM Society website ([www.phmsociety.org](http://www.phmsociety.org)). Please submit a draft of the poster by the **draft poster submission deadline, April 30, 2018**, using a new submission system for our papers, hosted at [www.phmpapers.com](http://www.phmpapers.com). Detailed submission instructions can be found by clicking here. When submitting your draft or final poster, be sure to select "Posters" under "Section". Templates and guidelines are available through the website. Final posters and technical briefs for accepted submissions will be due on **May 31, 2018**. For further questions on submission and related issues please contact [tpc@phmconference.org](mailto:tpc@phmconference.org). We look forward to your contributions.
